

Application No. 09/955,035
Amendment in response to May 25, 2004, Action

Attorney's Docket No. 0119-001

REMARKS

Claims 1, 4, and 6-12 are pending. Claims 2, 3, and 5 have been cancelled.
Claims 1, 6, and 9 have been amended. Claim 12 has been added.

In the current Office Action, claims 6-8 were objected to for dependence on a rejected base claim and were indicated as allowable if claim 6 were suitably amended. The other claims 1-5 and 9-11 were rejected for obviousness over various combination of U.S. Patents No. 5,950,123 to Schwelb et al. and No. 6,208,715 to Haavisto and U.S. Patent No. 5,924,068 to Richard et al. and Japanese Patent Publications JP 403076356A and JP 403045057A.

Claim 6 has been amended as suggested by the Action, and so it is respectfully submitted that claims 6-8 are allowable. New claim 12 depends on claim 6, and so is similarly allowable.

Claim 9 has been amended so that it is dependent on allowable claim 6, and so it is respectfully submitted that claim 9, and claims 10 and 11 that depend on claim 9, are allowable.

Claim 1 has been amended into a form that is similar to allowable claim 6, and so it is respectfully submitted that claim 1 and its dependent claim 4 are allowable.

It is believed this application is in condition for allowance. If the Examiner has any questions, the undersigned attorney may be telephoned at the number given below. The Examiner may note that a Change of Correspondence Address is filed on the same day as this Amendment.

Respectfully submitted,

Michael G. Savage
